# A Guide to Using C2K NewsDesk

A Junior and a Senior version of the NewsDesk are available. You can switch between each version using the purple button at the top of the screen.

Junior NewsDesk is aimed at Primary 1-4 children while the Senior NewsDesk is best for P 5-7.

Each news article is narrated so your child can follow along as the content is read to them.

At the end of each article children can leave a comment. These comments are monitored and approved by NewsDesk staff before being published so it may take a day for your child's comment to appear.
