## Homework

My dog ate my homework.  
That mischievous pup  
got hold of my homework  
and gobbled it up.

My dog ate my homework.  
It's gonna be late.  
I guess that the teacher  
will just have to wait.

My dog ate my homework.  
He swallowed it whole.  
I shouldn't have mixed it  
with food in his bowl.

--Kenn Nesbitt

Our reporter Molly came up with better, less  
troublesome ways to do your homework!

- Sit in a quiet room.
  - Start straight away.
  - Don't watch T.V.
  - Don't get distracted.
- Don't get sad because you have  
too much.

If you follow these rules you will get it done  
quicker.
