Dear Parent/Carer,

Well done to our Football and Hockey teams who represented school this week. It's the Tag Rugby teams turn next Wednesday.

Car Park

The car park works are starting on Monday 27th March. The works will have an impact on several areas of day-to-day school life. Please read the following information carefully.

School Bus

The school bus will not be able to drop off or collect in the staff car park during the works period, the school bus will from Monday 27th March drop off and collect pupils from the front of school. A designated bus area will be marked off by cones at the front of school, please do not park in this area.

Pick Up Times

Due to the bus pick up/ drop off zone and the lack of parking around the school car park gates there will be fewer parking areas for parents at collection times. During the course of the works period school will be adjusting collection times from Monday 27th March. This measure is to ensure pupil safety and ease traffic congestion when the work is being carried out. The attached table shows the adjusted collection times from Monday 27th March until advised otherwise. Pupils who cannot be collected until their normal finishing time are permitted to attend Windmill for free until their usual finishing time. Please contact the office if your child needs to use Windmill before their normal finishing time. It would be greatly appreciated if parents could stick to their allocated time slot.

P5- P7

The car park area will be fenced off. Pupils should enter school via the main door and head to their class through the assembly hall.

We appreciate your support with these measures.

Medicine in School

If your child requires medicine during the school day, please ensure a AM2 Form has been completed (see attached) and all medicine is clearly labelled. Please inform your child's teacher or ring the school office if you child requires medicine.
