

KNOCKLOUGHRIM SCHOOL NEWS

23rd
June
2014

Welcome to this week's newsletter and our final newsletter for this academic year. We have had such a busy year that it seems to have gone in a flash. Friday will be a day of mixed emotions with our wonderful P7s, the Orr Family and Mrs McIntyre leaving us for the last time. Please keep all our families and children in your thoughts this week especially our P7s. They have been excellent students and we have been very blessed to teach them. I know we are all very fond of them and that they will be terrific ambassadors for Knockloughrim PS in the years to come.

Summer Reports: End of year annual reports will be sent home with children on Thursday. Any children who will be off or have already left for the year will have their reports posted home.

End of Year Leavers Assembly: P7 parents are invited to join us in school tomorrow at 10.30am for our annual Leavers Assembly.

Savings: The final savings were collected today but this facility will return again early next year.

Milk & Dinner Money 2014-15: The price of milk and dinner's will increase from September. Milk will be 20p per day and dinners £2.35.

Bushmills Photos: There have been many photographs uploaded to our school website and Facebook pages from our P7 trip last week. Here are a few photographs with many many more on our school website:

Parents & Friends - Prayer & Fellowship: We have been really pleased by the response towards our Parents & Friends - Prayer & Fellowship Group who will meet for their last meeting this Friday morning from 9 to 9.30am. If any parents, grand parents or friends of our school would like to drop into our staffroom you will be made most welcome. We hope this group will gather again in the new term for a time of fellowship and prayer.

P2/3 Fit Factor Final: Miss Millar's P2/3 class were invited for an all-expenses paid day to the Mac Art Gallery in Belfast on Monday. The day occurred following the win of a drawing competition based on Healthy Eating by Jonathan Dawson in P3. Jonathan won £1000 worth of vouchers for the school as a regional winner in their *Fit for Life* programme. We are delighted to say that at the event the 6 regional winners were judged further and Jonathan's artwork was awarded second place overall in Northern Ireland with a further £2000 of sports vouchers being donated to the school by Lidl N.Ireland.

Unwanted Mobile Phones: Dorinda is currently collecting unwanted mobile phones in aid of a child with specific physical needs. These will be exchanged once enough are collected for special equipment to help his learning.

Dates for Your Diary:
