2016

Welcome to this week's newsletter and our final newsletter for January. We have had a really busy week in school with many of our teachers and Governors participating in training inside and out of school. Please keep our whole community in your thoughts this week...especially as there is snow forecast for tonight!!

**Transfer Results:** Children who sat the GL Transfer test in November to gain entrance to Rainey Endowed this September, will be receiving their results tomorrow. I have already spoken with all our children and assured them that no matter their result tomorrow, pleasing or otherwise, all our learners are very much valued in our community and have a lot of work still ahead of them for the remainder of their time in Knockloughrim. I would ask our whole community to keep all the families with Year 7 children in their thoughts over the incoming weeks as they select the schools their children will transfer to.

## **P7 Transfer Applications for Sept:**

This year the Department of Education has issued guidance for us to encouraging P7 parents to complete the application form for their child's next school themselves and to return the form to school before or on the date of their child's P7 Teacher interview. The form and advice sheet has been sent home today with your child. This is an important document and we would ask you to keep it safe and return all requested parts as soon as it is completed. Should anyone require additional support in completing the form, then please don't hesitate to contact me.

**Superhero Visitors:** As part of our Foundation stage topic of 'Superheroes' we had Constable Scott and Olympic medalist Wendy Houvenaghel in school this week. A great many thanks to them and although there are a few here, lots more have been uploaded to our social media.

**PTA Social:** We were delighted that our PTA are organising another fantastic Social in our community early next month. Please see the flier below and I would encourage as many of our children and their friends to attend as possible. As always events like this cannot be held without the support of our parents and I would ask as many of you as possible to help out if you can during one of the sessions. Please contact our office early next week to register your willingness and ability to help our PTA.

**P4 Parentmail Consent Form:** A consent form has been sent to Year 4 parents this week using Parent Mail can I ask parents to return as soon as possible.

**Prevention of Headlice:** An advice note is being sent home this week thanks to the vigilance of a parent in our learning community. Advice notes are only sent to the whole class concerned as we are unable to contact parents individually with regard to this condition. Parents are respectfully reminded that it is good practice to check our children's hair daily when it is being given a brush.
